Valentine's Celebration Day at Lyneham High School

Lyneham High School captains Andrew Howes and Chido Nyakuengama and vice captains Patrick Foley and Bronte Agnew taking part in Valentine’s Day celebrations

Term 2, 2015 - Start date in all ACT public schools – Tuesday 28 April

The start date for Term 2, 2015 will be Tuesday 28 April, due to ANZAC Day (25 April) falling on a Saturday. Monday 27 April is a public service holiday.
Next week is week 5. It is hard to believe that we are close to being half way through term one. Students are working well and classes seem very settled. Our STAR girls have returned from camp, our DARE boys have just left for their camp and Agriculture and LSU students are visiting the Canberra Show. Year 10 have had a very successful excursion to the War Memorial, and auditions for our musical, *Cats*, have been completed. No wonder these past four weeks have gone quickly. It’s been a busy time!

And, of course, next week is Year 7 Camp. I know the year 7 students are really looking forward to this. We also have a great Study Skills and Well-Being program for all year 7 students for the two days when they will not be on camp. I certainly appreciate all the hard work done by the year 7 and the Student Services teams in preparation for these events.

Thanks also to the Health/PE team for all their preparation for the years 8-10 swimming carnival which is being held for all students in those years on Monday next week (2 March) at Dickson Pool.

**Year 7 Breakfast and Information Evening**

I was delighted to have so many parents and year 7 students join us for our Year 7 Breakfast and Parent Information Evening in weeks 2 and 3. Thank you to all those who gave such positive feedback about these events. I hope you now know a little more about how a high school works and that you understand why your son or daughter arrives home so exhausted at the end of each day! Many thanks to all staff who attended, giving up their own time to support parents and students.

**School Improvement**

**Care, Quality, Creativity**

On the front page of our newsletter, on our letterheads and signs, you will notice three words which are very important for us here at Lyneham High – *Care, Quality* and *Creativity*. These words recognise that at Lyneham we aspire to always:

- exercise *Care* for our own well-being and for the well-being of others;
- take pride in the *Quality* of the learning and teaching that happens in our school; and
- operate in an environment that fosters *Creativity* and innovation.

These values underpin all the work we do in the school. They also underpin our three school priorities.

1. To increase student voice and influence across the school.
2. To build a culture of continuous school improvement through giving, receiving and acting on feedback.
3. To implement the next stages of the Australian Curriculum, including assessment against the achievement standards.

Each newsletter, I intend to give you some specific feedback about what we are doing around one of our priorities.

I will begin with **Student Voice**.

Last Tuesday, I was very proud that Lyneham High School was chosen as the venue for the launch of the Safe School’s Coalition in the ACT. This coalition calls on schools to create safe and supportive environments for same-sex attracted, intersex and gender diverse people. Our school is the first school to join the Coalition in the ACT. I believe that being involved with this Coalition reflects our focus on *Care* and also shows that we are listening to **student voice**. In 2014 it was students who wanted to take a
strong stand against homophobia and transphobia and to show that they, as young people, value and celebrate the diversity of our school community. This is reflected in the rainbow crossing and rainbow hand mural, created by students, which you can see outside Student Wellbeing.

I would especially like to thank Charlie Barnes and Maheen Bilgrami who spoke so well at the launch and Amanda Murtagh, executive teacher of Student Wellbeing, who is working with the Where’s Your Head At? group of students to support students across the school.

If you would like to read more about this launch, here is a link to an article which appeared in the Canberra Times recently:

All home groups, other than year 7, have elected a representative to the student forum. Year 7 will elect their representatives when they come back from camp. The first student forum was held last week and this was a training day for the students and an opportunity for them to decide on their projects for the year. Many thanks to Amanda Murtagh and Anna Mason for all their hard work with our student leaders. We have such great students in the school and I am really looking forward to seeing what they come up with and how they work to involve others.

**Student Support Funds**

A reminder to all parents that the school operates a student support fund. This provides limited funds to parents who are experiencing financial difficulty. Funds can be used to help any student access activities that the school would normally anticipate a whole year group, class or specific group of students would attend. If you are experiencing financial difficulties, please contact me so that we can discuss accessing this support fund.

**ACT Public School Food and Drink Policy 2015**

In the next newsletter I will provide more information about this important new school policy. The policy applies to all foods and drinks sold in school canteens and to all ACT public school activities and events. The school promotes the choice of a healthy diet and stipulates that food and drinks low in nutritional values and fibre and high in saturated fat, added sugar and/or salt are not provided or sold in schools.

Regards

Colleen Matheson

Boys Softball | Boys water polo  
Year 7 Camp (group 2) | | Boys Softball |
| 9 March | 10 March | 11 March | 12 March | 13 March |
| Public Holiday | Year 8 OED Snorkelling | Girls Water polo  
Year 10 SEAL Be the Influence incursion | Year 8 Leap Camp  
Northside Girls Basketball  
Year 8 Questacon Show training | Girls Softball |
Key Dates:
AGM – Tuesday 24 March 8.00pm in LPAC (directly following the ACMA parent forum from 6.30pm to 8.00 pm).

If you would like to get more involved with our wonderful school community please come to the LHS P&C meetings. Meetings are held in weeks 3 and 8 each term on Tuesday nights from 6.30 (only 8 meetings a year!). Our focus is on parental engagement and in 2014 we held 4 successful parent forums on the following topics.

- Homework
- The Australian Curriculum, assessment and achievement standards
- Student Wellbeing and mental health
- Sexualisation of girls through the media

Although our focus is not fundraising we do hold a very successful trivia night later in the year. Last year’s trivia night raised funds for additional water bubblers in the school.

If you would like to take your involvement one step further you can join the P&C executive. We will be having our AGM on Tuesday 24 March where all office bearer positions are available: President, Vice-President, Secretary, Treasurer. The LHS AGM will be held directly following the parent forum on online safety being conducted by the Australian Communications and Media Authority in LPAC.

We have provided some detail below about what is involved with these roles. If you are interested in finding out more about the P&C please contact P&C Secretary Cindy Trewin on 0402 371 549.

**The Roles of P&C Office bearers**

The **President** chairs all general and executive committee meetings of the association. The role of the president includes

- providing leadership
- acting as a spokesperson for the association
- reporting to P&C meetings about the activities of the P&C
- exercising some supervision of the functions of other office bearers
- ensuring adequate and efficient communication exists between the members of the association and the members of the school board
- encouraging parents to participate.

The role of the **Vice-President** includes

- presiding as chair at meetings where the president is absent
- being familiar with the operation of the P&C
- becoming acquainted with the duties of the president
- having a working understanding of meeting rules and procedure

The duties of the **Secretary** include

- drawing up, in consultation with the president, the meeting agendas
- keeping full and correct minutes of the P&C’s proceedings
- acting upon decisions as directed by the meeting
- attending to the correspondence of the association
- looking after the association documents
- maintaining a register of financial and ex-officio members if applicable.
The duties of the **Treasurer** include

- responsibility for all funds received and expended by the association
- preparing regular reports to P&C meetings
- holding ultimate responsibility for all funds, including all sub-committee accounts
- fulfilling the role of public officer for the P&C.

Cindy Trewin  
P&C Secretary

</table>
In the spotlight this week is year 9 student-athlete **Mickey Williams** who is in the SEAL Individual Program. Mickey plays in U16 Division 1 for Wests Magpies in the Canberra basketball league where she plays point guard.

In 2014 Mickey was selected into the **Country Premier League (CPL)** where she travelled around NSW playing against other representative teams including Illawarra, Newcastle and Gosford. Her team came second in the league, which is an excellent effort.

Later in the year Mickey was selected into the **Australian Club Championships** which were held in Brisbane and Mickey was the team’s highest scorer.

At club level, Mickey received the **Jerry Lee Player on the Rise** award last year. This award is given to one outstanding player from the club who is displaying outstanding potential.

This year Mickey has been selected for the **U16 ACT Development Program** and is training upwards of 10 hours a week plus playing matches in preparation for another successful season.

At school level, Mickey was captain of the U15’s school team which came 4th at the **Australian Schools Championships** late last year. This was an outstanding effort from Mickey and the rest of the team. They are in training already for this year’s Championships which will be held in term 4.
SEAL 60 Second Shootout with...

Mickey Williams

*What is your most embarrassing moment?*
There are too many and it would be impossible to list just one as I am a bit unco.

*Who is your favourite sportsperson/people?*
Penny Taylor & Erin Phillips (Australian Opals).

*What is your favourite home cooked meal?*
Dad’s steak & sausages with mashed potatoes and vegetables.

*Name the 5 people you would love to have over for dinner.*
Dante Exum, Dejan Vasiljevic, Abby Bishop, Steph Curry & Josh Turner.

*What is the best thing about being a SEAL student-athlete?*
You get to have a balance of school and sport.

*When you’re not training for Basketball, what do you most like doing?*
I’m usually doing my assignments, playing with my alpacas, rabbit, chickens and horse, and when I’m not doing any of these I’m eating.

**Important SEAL information**

- Payments for the program are due on 6 March, 2015. Payments are essential for the SEAL program to continue running and for us to continue getting the best coaches available.
- A reminder that upon leaving the school student-athletes must be wearing their SEAL polo shirts and sign out at the PE staffroom. Students then must change into their training shirts and wear these during training sessions. This agreement is part of the SEAL Code of Conduct which all students have read and signed, and must be adhered to.
- Students will be issued their sign out sticker once they have received their student ID card in the coming weeks.
- Student-athletes are expected to inform Mr Morris the day before their training sessions if they are unable to attend their session and provide a note from home.

If you have a SEAL student athlete currently attending Lyneham High or have previously attended Lyneham High and are achieving some success in their sporting life, I would like to hear from you. Please email me or contact me on the number below so I can include them into future Lyneham High newsletters.

**Eric Morris**

*Health & PE | SEAL Coordinator*  
W: 6205 6394 | F: 6205 6411 | E: eric.morris@ed.act.edu.au
Congratulations to Mickey Williams and Nikki Worner for their selection into the U16 ACT Basketball Development Program. This is a great effort from two of our Individual (basketball) SEAL student-athletes.

On Wednesday 18 February our SEAL AFL squad were fortunate to have Tim Mohr (#39) and Matt Buntine (#21) from the Greater Western Sydney Giants (GWS) come and speak to the group about all things AFL and what it takes to become an AFL rostered player. GWS were in Canberra as part of their Australian Post Community Camp and provided the boys with some insight into the rigours of making it as an AFL rostered player and the highs and lows of playing at the highest level.
STAR Tathra Wilderness Coast Camp

On Monday 16 February through to Wednesday 18 February, 40 girls from the year 9 and 10 STAR program took part in the three day Tathra Wilderness Coast Camp. The girls left early Monday morning and travelled down Brown Mountain to Tathra Beach Motor Village where we met our Coast Life instructors, Dan and Sven, who gave the girls some essential lessons in packing for a two day trek through Mimosa Rocks. During the trek the girls hiked through the wild National Park in Tathra, walked through many deserted beaches and waded through pristine lagoons in the region.

The girls camped overnight at Gillard’s Beach where they learnt about the culture and land use of the Yuin Aboriginal people. They experienced cooking their own meals on trangia stoves, the joys of drop toilets, sitting around the camp fire and falling asleep to the sound of waves crashing on the beach. After breakfast the next day, the girls continued on their way back to Tathra beach via Mogareeka Inlet. They showed true grit as they traversed steep hills in rainforest humidity, crossed a creek with full packs raised above their heads and swam across a fast flowing inlet.

Upon return to the caravan park, the girls set up camp and had a well-deserved barbeque lunch. After lunch the Coast Life instructors took the girls for a surfing lesson and gave them a surf awareness educational talk on the beach. The girls did a great job on the Malibu’s, with the majority of students standing up on a wave or two.
After the night time group bonding session the girls rose early for a 1 hour fitness session on the beach, followed by a pilates session run by one of the senior STAR students.

Throughout the camp the girls faced each challenge to the best of their ability and supported one another through the team challenges. The girls worked well together and from accepting and rising to the challenges from the practical bush component, and participating in the coastal activities, they have formed a strong bond.

We are very proud of you all!

The STAR team.
Pi Day 2015 – 3/14/15 9:26

On 14 March 2015 the (slightly American) date is 3/14/15. At 9:26:53am, you can write 3.14.15 ; 9:26:53, which are the first ten digits of Pi in perfect order.

This is a once in a century event – Ultimate Pi Day !!

Lyneham High will be doing their annual Pi Recite Competition on Friday 13 March at lunchtime - the day before the biggest Pi day this century!

Students can register by adding their name to the list outside the Maths Staffroom. There will be prizes for the first three places and certificates for all participants.

Parvathi Menon is our current pi recite champion, who in 2014 recited Pi to 256 decimal places.

How many places in 2015 will there be?

But wait... there’s more!

Dickson College will be running a community Pi memorisation competition on Saturday 14 March - Pi day!

There are brightly coloured knitted scarves for first prize for primary, high school and open categories (if first prize winners recite at least 150, 250 or 350 digits). There will be other prizes for high achievers, and certificates for all participants.

Please arrive at Dickson between 9:00am and 9:15am so that you can find the hall and be ready for a group Pi cheer at 9:26am. After the competition we will celebrate with morning tea. Please bring a plate of circular food to share.

Registration is free, but you must register to be eligible for prizes.

Valentine’s Celebration Day 2015

For the past 3 years, Valentine’s Day has become an annual fundraising event at Lyneham High. On Valentine’s Day, students can order a single red rose or card to be delivered during class.

Because Valentine’s day was on Saturday this year, we held our Valentine’s celebrations on Friday 13 February. Throughout week 2, during recess and lunch time, the school captains and I were kept very busy processing many orders for special deliveries leading up to the day. Students also had the option of purchasing a raffle ticket where they could win a giant, Valentine’s soft toy to be delivered during period 5.

Throughout the day, 150 single red roses, along with cards, Valentine’s teddies and the raffle prize were delivered by a few ‘student fairies’. The school captains and I, along with our volunteer ‘fairies’ also ran a Valentine’s stall during recess and lunch where additional items were sold. Around 50 red and pink balloon hearts sold from the stall were assembled by our Learning Support Unit students. Overall, an enjoyable day was had by all.

During the whole school assembly on Monday this week, a Certificate of Appreciation was presented to Talisha (a former Lyneham High student) from Janine Florist. Janine Florist has generously supported Lyneham High’s Valentine’s Celebrations for the past 3 years.

All proceeds from our Valentine’s fundraiser will go towards assisting Student Wellbeing activities in the school.

Author Visit

On Tuesday 24 February, author Jack Heath visited the school to speak to all year 8 students. As an ex-Lyneham High School student and ACT Young Australian of the Year (2009) he proved to be a real hit with the students. Jack began writing his first published novel, *The Lab*, at 13 years, while he was at Lyneham. His story of his journey as a writer resulted in much laughter and inspiration for his attentive audience. His comments about writers’ block and needing thinking time without any form of distraction were very telling points. We look forward to a return visit from him in the near future.
It was lovely to meet so many families at our Mini Timetable night for Year 7 students last week; thank you for coming along and saying g’day.

Parents who have emailed to join the 12yrs & under sport distribution list should have received at least 3 emails from me know. It is not too late to join the group, and remember you can leave at any time. A reminder of the school sport pathways are included below.

**School Sport Opportunities and Pathways: NEW PROCEDURES FOR 2015!**

As of 2015, the 12 years and under sporting trial dates and permission notes will be emailed home to relevant families. Families who wish to receive notices must send an email to lisa.price@ed.act.edu.au to join the distribution list. Notices will be forwarded immediately upon arrival and it is hoped this will reduce the anxiety surrounding student absences and at times, short notice regarding trial dates. Regretfully, we don’t have the capacity to tailor emails personally to your student’s sport, however you are welcome to leave the distribution list at any time.

We have many school sport teams about to go out to represent the school in their carnivals and tournaments. Good luck to boys and girls basketball, boys and girls softball, boys and girls waterpolo and boys and girls tennis singles. You are determined to succeed, eating well and training hard! We look forward to hearing about your achievements in the upcoming weeks.

On 15 February, seven of our students took part in the Weet-Bix Kids TRYathlon at the Australian Institute of Sport. Congratulations to Henry Ganter, Lucy Griffiths, Annabelle Hewson, Layla Rowntree, Trent Schoevers, David Wilson and Nikki Worner.

We would love to hear about all our students sporting achievements and ask parents to email their HPE Teacher with as much detail as possible so that we can celebrate students at assembly and through our newsletter.

See you next fortnight with some more information about Health!

Lisa Price and the Health and Physical Education Team.

School Board Election

Two nominations have been received for one position as P&C Member for the School Board. Therefore an election is being held.

The nominees are

James Cameron
Maria Worner

Ballot papers are available from reception at the school and must be placed in the box provided. Voting opened at 11.00am on Monday 23 February 2015 and closes at 11.00am on Monday 2 March 2015.

Below please find a supporting statement from James Cameron.

“I am the father of two Lyneham High students, one in Year 9 and the other in Year 7. Last year I joined the school P&C as Treasurer and Public Officer and have enjoyed contributing to its fundraising and parental engagement activities, as well as the opportunity to better get to know the school’s Principal and staff. While my children were at Majura Primary, I volunteered in a number of roles including as Treasurer and convenor of the After School care program and on the P&C Executive. I have nominated for the school board because I would like to contribute to the strategic direction of the school and provide a conduit between the Board and P&C. I believe Lyneham has a well-deserved reputation for its academic outcomes, sporting and performing arts programs and community engagement. With a long career as a senior executive, including as the head of a government agency, I am well placed to contribute to the strategic decisions about Lyneham High’s future.”

White Card Training and Asbestos Course 2015

White Card & Asbestos Training

If your son/daughter wishes to undertake a work experience placement in a ‘Trade’ industry, such as carpentry, building, plumbing, electrician, landscaping and alike, it is mandatory that they complete a white card and asbestos training course. I have booked courses as follows.

<table>
<thead>
<tr>
<th>Course Length</th>
<th>Monday 23 March 2015, full day – 8.30am to 3.30pm</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cost – Minimum 15 people</td>
<td>$80.00 per person</td>
</tr>
</tbody>
</table>

OHS Induction Card Course

Current legislation requires all persons to complete General Induction Card training before entering a construction site. This course prepares participants for the construction site through understanding of their WHS responsibilities and the skills to identify hazards.

<table>
<thead>
<tr>
<th>Course Length</th>
<th>Tuesday 24 March 2015, half day – 9.00am to 1.30pm</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cost – Minimum 15 people</td>
<td>$65.00 per person</td>
</tr>
</tbody>
</table>

Asbestos Awareness

Recent legislation now requires all persons to complete Asbestos Awareness training before entering a construction site. WorkSafe ACT considers that, given the widespread presence of asbestos in the built environment, and the tendency for workers to work across the various sectors within the industry during the course of their employment, all construction workers should be provided with training in respect of asbestos awareness. This course provides participants with an ability to identify and understand the dangers of asbestos, an awareness of its possible locations and the procedures followed if presence is detected.

Note: There is a cost associated with both these courses which applies regardless of whether you complete them through the MBA or another registered training provider. Once the courses have been completed successfully, you will need to pay a further cost to obtain the card from the Office of Regulatory Services.

- Please email me with concerns or questions that you may have regarding these courses.
- Places are limited for these courses, so should you wish to nominate your son/daughter, please email/phone me as soon as possible.
- No student can attend a work experience placement in a ‘trade’ area unless they have the white card and asbestos card

Information regarding the training dates and costs will be forwarded to email addresses as soon as possible for those who have expressed an interest. The courses will be delivered by the MBA, here at school over the two days.

Regards,

Come and do your **Homework** in the Library straight after school until 4.15 on Wednesdays and Thursdays.

Lyneham High School Second Hand Uniform Shop

LHS maroon and blue polo shirts, hooded jumpers, SEAL and white PE shirts are available for sale

**Prices from $5.00 to $15.00**
For all orders, please email anne.flynn@ed.act.edu.au
PARENT VOLUNTEERS WANTED FOR BREAKFAST PROGRAM
(FOR A ONCE A TERM COMMITMENT)

The Youth Worker and P & C of Lyneham High host a free breakfast program on Friday mornings during the school term.

We are looking for parents who would like to assist us with setting up, food preparation and cleaning before and after breakfast. The P & C breakfast is from 8 – 8:45am in the foyer outside the canteen. Our current parent volunteers provide a once a term commitment based on a rostered system.

If you would like to participate, please email anne.flynn@ed.act.edu.au

Thank you and hope to see you soon. Anne Flynn, Youth Worker

“I started doing breakfast club a couple of years ago and still look forward to my rostered day on each term. It’s not a big commitment in terms of time or effort, but it is a great opportunity to meet some teachers and students in a really informal way. I even manage to get to work in time after the clean up!! As we all know, opportunities to participate in activities in high school are not as frequent as in primary school; for me it’s a great way to get a ‘feel’ for the atmosphere within the school-and the kids seem to really appreciate the fact that the breakfast club exists”.

- Parent volunteer
Death Cap mushrooms

Do not touch, pick or eat any wild mushrooms!

Death Cap mushrooms are one of the world’s deadliest mushrooms and can be found across the Canberra region, usually in late summer and autumn. There have been four deaths and many poisonings in the ACT in the past 15 years due to Death Cap mushrooms.

In Canberra, Death Cap mushrooms often grow near established oak trees in mild, moist weather. Death Cap mushrooms have been found growing on school grounds in the ACT.

Parents and teachers are asked to remind children **not to touch, pick or eat any wild mushrooms.**

As the Death Cap mushroom can easily be confused with edible varieties, adults are also strongly advised not to touch, pick or eat any wild mushrooms. It is difficult, even for experienced collectors, to tell the difference between the Death Cap mushroom and edible wild mushrooms.

All parts of the Death Cap mushroom are poisonous and eating even a small amount of the mushroom can be fatal. Cooking the Death Cap mushroom does not make it safe.

If you suspect that you or one of your family members might have eaten Death Cap mushrooms, you should seek urgent medical attention at a hospital emergency department.

If you believe you have spotted a Death Cap mushroom, do not touch the mushroom with your bare skin. If it is in your own yard, the best option is to leave it be and make sure others stay away from the area. The mushroom will die in a few days.

If you believe you have spotted a Death Cap mushroom growing in a public area, please contact Canberra Connect on 13 22 81.

**CELEBRATE INTERNATIONAL MOTHER LANGUAGE DAY**

10.30am – 1.30pm Saturday 21 February 2015

Meet at 10.30am near the International Flags Display behind Questacon car park to join the language walk over Commonwealth Bridge.

Feel free to bring along posters and banners publicising various languages and/or to wear national dress. Free T-shirts for all participants!

THEN enjoy FREE family fun activities near Regatta Point after the walk:

- Multicultural entertainment
- Jumping castle and Face painting
- Multilingual activities, e.g. name writing in various languages.

Multicultural food for sale or bring a picnic

Organised by the Canberra-based International Mother Language Movement (IMLM).

For more details contact: IMLM.21feb@gmail.com, Ziaul on 0411 031 942 (mob) or follow IMLM Canberra on Facebook. For background information on International Mother Language Day see [http://imlm21.org.au/?page_id=1109](http://imlm21.org.au/?page_id=1109)

Careers in Community Services

Day Out 2015

Thursday 9th April

Talk to qualified professionals about different aspects of their job, what they do and what path of education is required to achieve their position in the community services industry.

Visit:

Woden Youth Centre provides a range of youth programs for young people aged 12 to 25 years. WYC supports young people to assist them to make informed life choices.

Goodwin Aged Care Facility is dedicated to providing Australians with high quality aged care services and accommodation across the ACT.

Deakin Early Education Centre provides education and care for children aged six weeks to six years through a range of tailored long day care programs based on the Early Years Learning Framework.

The Woden School provides individual education programs for students in years 7 to 12 with an intellectual disability and/or autism.
