Subjects and classes
How many classes and different teachers will I have? Eight in year 7, (Seven in years 8 – 10) as well as your Home Group teacher.

All students do English, mathematics, science, SoSE (Studies of Society and Environment) and PE.

- Students get to choose if they will do either French or Indonesian
- Some students do band plus art, computing, food and fabric and technology.
- Some students don't do band and instead they do music and drama plus the subjects that band students do.

**Home Group**

What is Home Group and what happens during Home Group?

This is when the roll is marked. Daily Notices are read. Student Forum representatives discuss issues, give and receive feedback about student concerns which have been/will be raised in the Forum meetings.

The names of home groups are: 7B1, 7B2, 7B3, 7H1, 7H2, 7H3, 7M1, 7M2, 7M3, 7S1, 7S2, 7S3

How do I know which Home Group I will be in and who will be my Home Group teacher?

On your first day you will be given a timetable with the Home Group number, room and teacher on it.

What do the B, H, M and S stand for?
They are our Houses that compete against each other in a range of activities - sporting carnivals, competitions, fun days – to earn points to try and become the champion house for the year.

Other information
How will I know which class to go to and when? How will I know my timetable?

You will be given a printed timetable on your first day at school. The Peer Support leaders will help you find your classes.

Check out the Year 7 section of Lyneham High School website (next week) for an example of a timetable: http://www.lynehamhs.act.edu.au/our_students

Who are the Year 10 Peer Leaders and what do they do?

The Peer Support Leaders are a group of students who applied to be in this class. Their job is to help you learn about how we do things at Lyneham High School, where things such as class rooms and the canteen are; what kind of services are available and who you can approach for help with both your academic and social needs. They will join your Home Group regularly during Semester1 and they will run 5 sessions which will help you build emotional wellbeing.

What do I do with my bag during a normal school day?
You take your bag with you from class to class. During assemblies your bag is locked in your Home Group room. During PE your bag is locked in the change rooms. If you get a locker ($20 for the year) you don’t have to carry as much in your bag.

What books and equipment do I need?
You were given a stationery list on Orientation Day. This list is also an order form. Copies are on our school website under Enrolments/ Year 7. You are encouraged to buy any specialised items listed for each subject such as the workbooks listed for your Language classes (English, French/Indonesian) and USBs for Band and Computing. Decide how much new stationery you need (it is okay to keep using pens, pencils, etc that you already own). If you have trouble purchasing any of these items, let your teachers and Year co-ordinators know. For Maths you will borrow a textbook from the library which you keep for your use and then return at the end of the year.
