2019 OPEN NIGHT

Welcome to Lyneham High School

General Enrolment Applications

Applications to enrol at an ACT Public School are made through the Online Enrolment Form. It is important that this form is completed and submitted no later than **5:00pm Friday 7 June 2019** to be considered in the initial enrolment period.

The form and additional enrolment information can be found on the ACT Education Directorate website:

https://www.education.act.gov.au/school_education/enrolling_in_an_act_public_school

Note that in 2020, Lyneham High School has been identified as a 'Category A' school. As such, Lyneham High School is generally **not able** to accept students from outside our Priority Enrolment Area (PEA) primarily due to our capacity for students both now and in the near future.

Lyneham High School will only consider applications from ACT students that reside outside our PEA against the following criteria, in the order of priority:

1. Legal considerations
2. Exceptional circumstances based on student wellbeing
3. Subject to capacity, siblings of concurrent students who currently reside in the ACT

When completing the Online Enrolment Form, you will be asked to provide a reason for your out of area application and should refer to the criteria. Families who do not have internet access to submit applications should contact the school, where access can be provided for this purpose.

Special Program Applications

An application for placement in any Lyneham High Special Program is considered in accordance with the ACT Education Directorate Enrolment Policy. A prospective student must therefore be offered enrolment at Lyneham High School before being considered for Special Programs such as Band, LEAP or SEAL.

See the school website for our Prospectus and information booklets for the LEAP, SEAL and Band Programs.

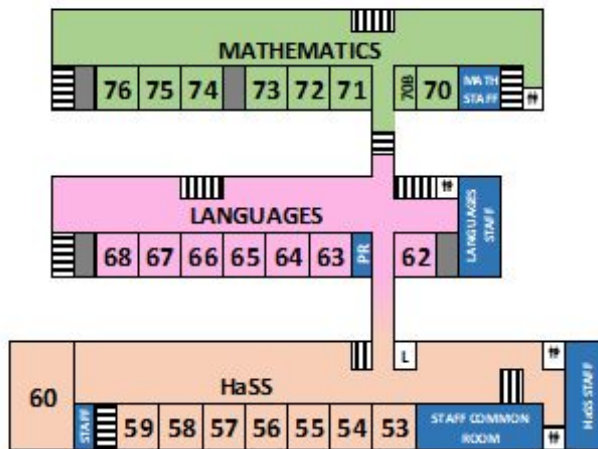

The special program application form is available from the school website. It should be completed and submitted no later than **5:00pm Monday 20 May 2019**. The school website is at:

<http://www.lynehamhs.act.edu.au/>
