Dress Code policy and procedures

The dress code is based on the school colours (maroon and blue) and appropriate clothing design as shown in the pictures below.

Students may wear rugby tops, windcheaters, T-shirts or polo shirts with the school logo or plain colours. Shorts must extend to half way between the thigh and the knee. High cut shorts (commonly known as short shorts) are not acceptable.

Students not in dress code may be refused permission to attend excursions. This is in the interests of safety - teachers need to be able to identify students quickly. All students are encouraged to wear dress code while at school.
