

Stationery Packs 2022

In a break from tradition, Lyneham High will no longer be providing stationery pack requirements linked through a commercial provider. Instead, families are encouraged to source their packs from their preferred providers. We anticipate that many students will already have some of the items, so please check carefully before going to the expense of purchasing the full list.

Year 7 Stationery Pack

All year 7 students will require the following:

- Several blue or black pens
- Several lead pencils
- A large eraser
- A glue stick (eg 36g)
- A 30cm ruler
- A few coloured pencils
- Ear buds or headphones for their Chromebook
- A cardboard manilla envelope (for Science)
- Four A4 exercise books - 96 pages (for Science, Maths, English and French/Indonesian)
- A protractor (for Maths)
- A scientific calculator, preferably Casio FX-100AU (for Maths)
- Art Kit - **year 7** (see below)

If the year 7 student is in the Band Program, they will need an A4 Refillable display folder - 40 pockets.
