

LYNEHAM HIGH SCHOOL

Care Quality Creativity

This is a new draft document and is currently under review

Plagiarism Policy

Plagiarism is using other people's ideas, work or words in a way that makes people believe it is all your own work. This may be because a student has deliberately chosen to steal someone else's work, or because they didn't remember to credit their work using in-text referencing or bibliographies.

Plagiarism in any form is not acceptable at Lyneham High School. We expect all students to maintain a high level of honesty and integrity in their work at all times.

Students caught plagiarising may be subject to serious consequences including reduction in marks and failure for the assessment item.

Reviewed by Luke Williams (SoSE) and Peta Wilson (Teacher Librarian)
